IN DEDICATION

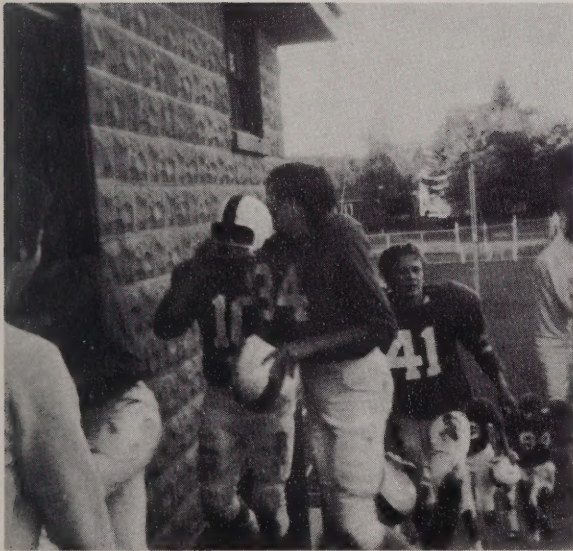

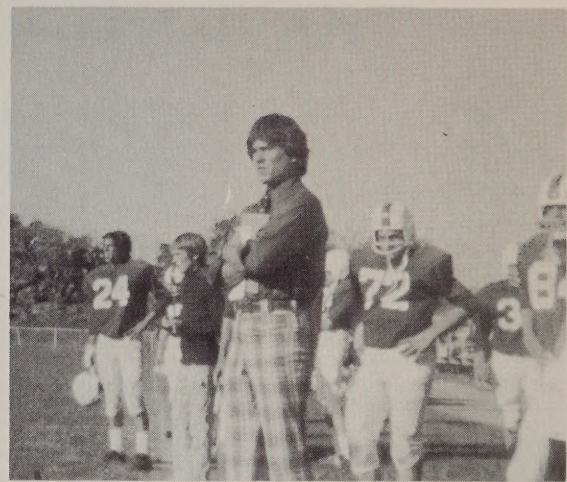

Miss Irene Gagnon

We, the class of 1976, would like to dedicate this issue of the "Briscoe Briefs" to Miss Irene Gagnon.

Miss Gagnon, who has faithfully served on the Briscoe staff for many years', has been a great asset to the staff and to the students. She has provided pupils with a fresh understanding of foreign countries and their languages. Although when September arrives and students once again fill the halls, many will not have the privilege of having known and loved this dedicated teacher. We, the class of 1976, will always remember Miss Gagnon as a teacher, freely giving of her time. All the students would like to wish Miss Gagon all the happiness and fulfillment in the future that she deserves. Briscoe Junior High would like to say a special good-bye to Miss Gagnon - Au Revoir.

ADMINISTRATION

Chester Battis, Principal

This year, as every year, the office has been the hub of school activity. Our principal and vice principal, Mr. Battis and Mr. Chandler, have kept an alert and capable finger on the pulse of Briscoe. Through their efforts the school has achieved a unity of purpose and an active part in our community. Mrs. Pzenny, Mrs. Bresnahan, and Mrs. Riley have assisted the administration and helped considerably in keeping the operation of Briscoe running smoothly.

Joseph Chandler, Vice
Principal

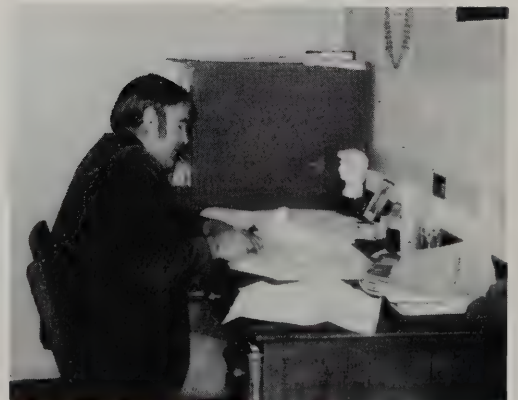

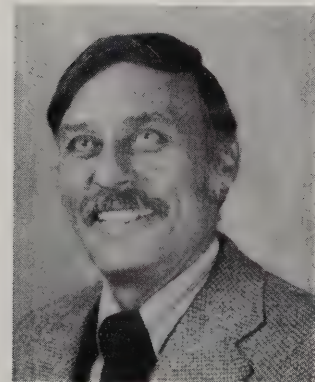

Mrs. Pzenny,
Secretary

GUIDANCE

The guidance department of Briscoe is, and has been, for the last few years, most outstanding in the job of guiding all Briscoe students. They not only provide superb advice and counseling to any bewildered or frustrated student, they also prepare them for the future. Any student leaving Briscoe leaves a little more qualified to attain success in the upcoming years.

Mr. Dunn

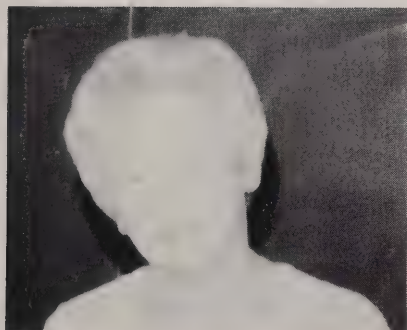

Mr. Fallon
Mrs. Raymond

ENGLISH

The Briscoe English Department offers a vast selection of courses for Briscoe students. Along with standardized English courses, Briscoe provides special classes in introduction to drama, literature, and journalism. Some of the main areas covered in a typical English class are American literature, mythology, and basic grammar. In the special courses, fundamental skills are taught to the students. The Briscoe English Department has succeeded in giving Briscoe students many opportunities in learning.

LIBRARY

Our librarian Mrs. Symonds, and her assistant Mrs. Haney make the library such a pleasant and well organized place, that it is impossible to spend three years at Briscoe and never be there. The librarians, with the help of library aides, are always there with assistance on any subject.

Mrs. Symonds
Mrs. Haney

MATHEMATICS

Briscoe's Math Department offers a wide range of new courses for the students. For example, some of them are Standard Math, Business Math, Computer Science, Algebra and Geometry. The teachers who devote their time and help to the students of Briscoe, deserve a great deal of recognition.

SCIENCE

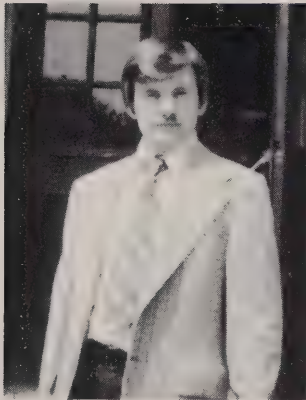

The Science Department at Briscoe may be one of our most complex and interesting subjects. In seventh grade the students learn the basics of science. Eighth grade students have a four part system. This includes Oceanography, Meteorology, Geology and Astronomy. In the ninth grade, the pupils have a choice of Applied Physical Science or Introduction to Physical Science. Students are learning more about the world that they live in through these courses.

SOCIAL STUDIES

The students of Briscoe Jr. High are offered a wide variety of opportunities from the Social Studies Department. In seventh grade, a student comes face to face with the life styles of Europe. Eighth graders are introduced to their country's happenings in U. S. History. The ninth graders have a choice of World Cultures or Comparative Political and Economic Systems in the United States and Russia.

The teachers in the Social Studies Department donate their well needed talents in teaching these courses to the students of Briscoe Jr. High School.

Mr. Santa Maria
Mr. Boniuto

PHYSICAL EDUCATION

The Physical Education Program started out well this year, with flag football for the boys, and field hockey for the girls. Some of the indoor activities for the girls were basketball, Gymnastics, floor hockey and volleyball. For the boys; floor hockey, basketball, gymnastics, wrestling and volleyball were offered. Just as in past years, the physical education program was full of real sportsmanship and interest from both teachers and students. Briscoe hopes to have more years like this in the future.

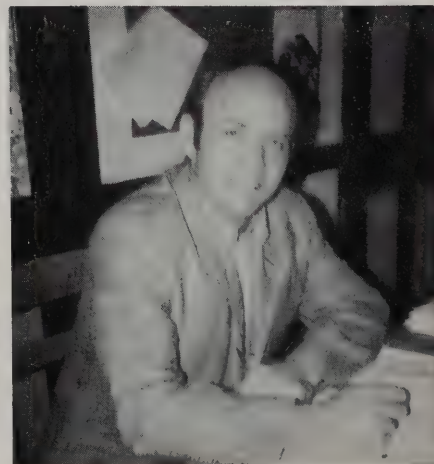

Mrs. Symonds Mr. Gniewek
Mrs. Leslie Mr. Eagan
Mr. Sexton

BUSINESS

The Business Department prepares a student for a career in the wide world of business. One of the courses offered is typing. Eight graders can elect Personal Use Typing as an introductory course, which enables a student to learn the basics of typing. In the ninth grade it is extended to speed and accuracy drills and business forms. Another type of course is Consumer Economics in which the students learn the value of money and how to use it wisely. All of these courses greatly prepare the student for his future.

Mr. DeRobertis
Mrs. Lord

INDUSTRIAL ARTS

The Industrial Arts Department provides students with basic training in the three courses offered here at school. The departments at Briscoe are wood, metal, and print shop. These shops give the students a feeling of independence in the projects they make. The teachers are there to guide the students in the vital fundamentals of the trade.

Mr. Menesale
Mr. Butler

HOME ECONOMICS

Home Economics is a combine group of activities, including the fun of sewing, the thrill of creating new and different food dishes, and the variety in the World of Living. This year, Briscoe offered a new course in Home Economics, Child Development, which was enjoyed by all that participated. They learned new things about the life and growth of children. Home Economics is not only a useful and informative course of study, but one which Briscoe students have always enjoyed.

Miss Bowman
Mrs. Tarricone
Miss Haggerman

MUSIC

The Music course also is open to any student attending Briscoe. Music is taught to any student wanting to play an instrument, or have an interest in singing with the chorus. Sending the sound throughout the school, the band add to the excitement of any assembly with the brilliance of the conductor, Mr. Lovell.

Mr. Lovell

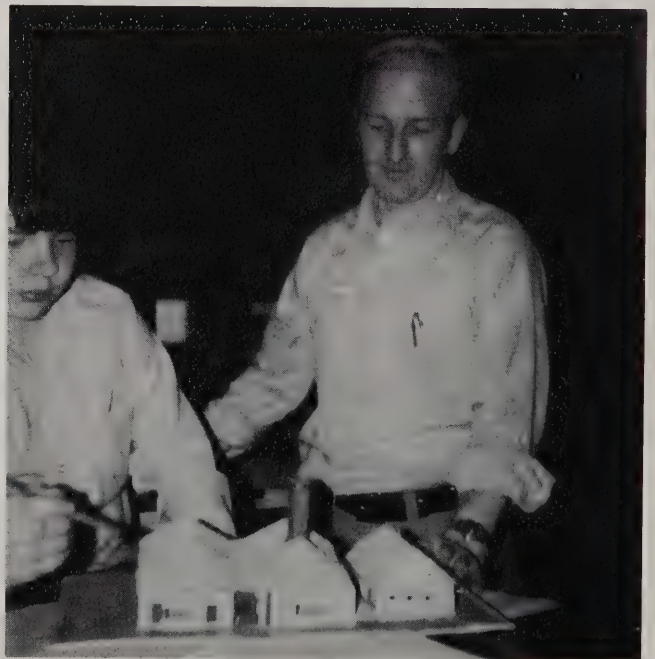

Mrs. Goding

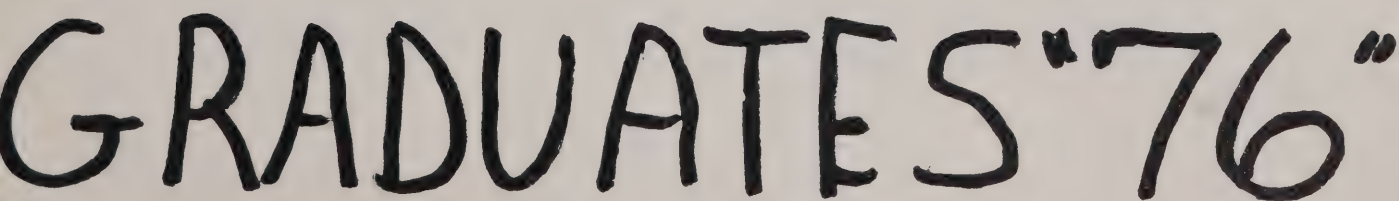

ART

The Art course is open to any student at Briscoe. The students use their creativity with paint, clay, paper mache, and the different types of Art known around the world.

SERVICE ACTIVITIES

At Briscoe there are many different types of Aides. These Aides help efficiently run the different departments at Briscoe. Some of these departments are: Audio-Visual, Guidance, Library, Office, Supply, Nurse, Gym and many others. During the course of a year the aides are given many duties in which they promptly and accurately fulfill. The duties of any aide summed up in one word, Responsibility.

Sports

FOOTBALL

This years football team had a relatively good season, considering we had one of the toughest schedules in years. Although they had a record of 3 runs and 6 losses, they gave everyone in the conference a scare. Their toughest loss came against undefeated Saugus, 12-8. Briscoe ended the season with a win over Winthrop. The football team gives great thanks to all the fans and cheerleaders and especially Harry Connaughton and Don Chrisos. The captians were Billy Richardson, Kevin Cross and Ronny Rojas.

CHEERLEADERS

BASKETBALL

This year's basketball team had an outstanding season with a record of 13-6. They were a very organized and spirited team. The '75-'76 team has two so called "little men", Richie Wright and Brian Williams. Coach Dave "Bippy" Manuel is proud of these two young guards. The big men of the team are: Mitch Carrier, Billy Richardson, Ted O'Brien and Ronny Rojas. Along with the two managers, Tom Green and Mark McKormick, othere members of the team are Steve Herlihy, Roy McNeil, Sean Maloney, Billy Ricci, Neil Caldwell, Bobby McDonald, Larry VanLeir, and Craig Tanzella. Briscoe will be contributing some very talented and enthusiastic men to next year's Beverly High team.

BASKETBALL CHEERLEADERS

J.V. BASKETBALL TEAM

Although the J. V. Basketball team didn't have a remarkable season, the team was full of spirit. They ended with a record of 5-6. The coach, Dick Batchelder, was new to the system, but had some good and original ideas on how to coach his team. Most of the boys on the team had no experience playing basketball, but they learned quickly. The captains were David Hannable and Sean O'Donnell. These boys will give the Varsity more power next season.

CROSS COUNTRY

This year's Cross-Country team had an excellent season with a record of 7-2. The most exciting thing that happened to the team this season was when they won the state meet, beating all surrounding cities going as far out as Rowley and Waltham. The coach of this year's team was Mr. Ferrah. The captains of the team were Kevin Brown and a very impressive eighth grader, Joe Maloney. The team had great success and made many new records. The team expects to have another excellent record next year. Most of the good runners are coming back.

HOCKEY

This year's Hockey Team had a very successful season. Their record was 8-2-2. The school was very pleased at the way the team played and hustled through victory and defeat. The coach of the team was Denny Egan and the captains were Kevin Cross and Roger Geary. Briscoe is extremely proud of the way Coach Egan encouraged us against Memorial. We won that game 6-0. We expect great things from our team next year.

CHEERLEADERS

This year's cheerleaders had an extraordinary amount of enthusiasm and spirit. The football cheerleaders were the first ones to cheer. They were headed by Nancy Manson, who did an outstanding job. Along with Nancy there were twelve other cheerleaders, including the two tigers, Ellen Parrisela and Renne Bouley. Stacie Brown received the football cheerleader of the year award. The basketball cheerleaders were a large and lively group. The head cheerleader of that group was Mary LaSelva. Mary and her group contributed a great deal to Briscoe's spirit. With Mary there were eleven other cheerleaders, including the two tigers, Bonny Guterman and Sue McNamara. Diane Bee was awarded basketball cheerleader of the year.

GIRLS' FIELD HOCKEY

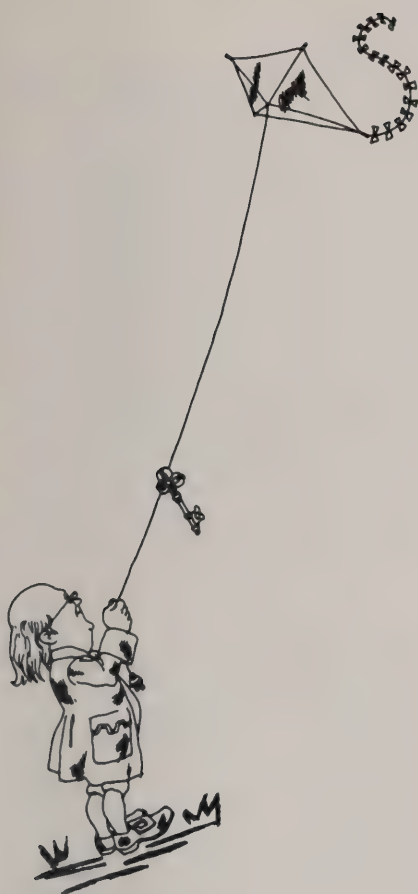

In its first year, the Briscoe girls field hockey team had a fantastic season. Under the able guidance of Mrs. Leslie and Mrs. Symonds, the girls won all but one of their scheduled games. Field hockey takes speed, skill, accuracy and enthusiasm and the Briscoe girls showed all.

GIRLS' BASKETBALL

This year's girls' basketball team had a very successful season with a record of nine wins and four losses. The team had a lot of spirit and emotions were high. Jennifer Campbell and Donna Wharton were the captains during this year's successful season. The girls were coached by Mrs. Leslie and Mrs. Symonds. The team lost two very close games to our arch-rivals, Memorial. The final score could have gone either way either time. The girls' final game of the season was against the faculty, which the girls won. Both teams had a lot of fun in spite of the fact that the teachers seemed to ignore the rule book. The teachers are looking forward to challenging the girls once more next year.
